MAGNETIC BRACELET

Mag bracelet provides medical affects by the influence of the magnetic field along with the blood, stimulating positive changes in different parts of the body by natural process and helps relieve acute & chronic pain. This is an ancient method of practicing the healing qualities of magnets, comes from the 111 Century B.C.

Mag Bracelet addresses illnesses such as:

- Hypotension & Hypertension
- State of Anxiety and Stress
- Dizziness & Headaches
- Sleeping Disorder
- Respiratory Disorders

Direction: The bracelet should be worn for a minimal duration of 10-12 hours.

Hypotension – Bracelet on left wrist

Hypertension – Bracelet on right wrist

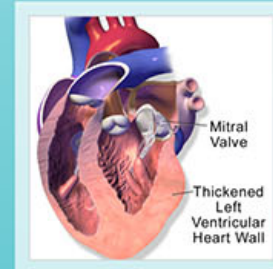

PROFESSOR (BASMIR)

PROFESSOR (BASMIR) is a non-medicinal Mag Applicator (Unit) which is used to regulate blood pressure – High Blood & Low Blood Pressure. It normalizes the effects in both cases.

- It also normalizes the heart rate and useful for the treatment of Angina
- Efficacious for the treatment of arteriosclerosis (Thickening, hardening and loss of elasticity of the walls of arteries) , vascular dystonia, and Cardio sclerosis
- It speeds up the healing of tissues in the areas of surgical stitches, open injuries, ulcer, cuts, fractures , burns and wounds

Direction: The device is recommended to be kept permanently in the chest pocket, close to heart.

Contraindication: People having Stent should not use PROFESSOR (BASMIR) Unit.

Way towards better health

MAGNETIC TECHNOLOGY
Is Russian Invention, scientifically proven and being applied in 25 countries since 1995 with amazing results. It is designed to improve human life and environment & to reduce or eliminate the need of chemicals present in medication that cause serious side effects.

Mag Healthcare Devices are natural, chemical-free and most effective solution for many diseases and disorders.

We, **MagTech Pakistan Pvt. Ltd.**, are introducing "Magnetic Technology" aiming to shorten the intake of medication for any illness and also to overall well-being as Magnetic Technology is the outcome of more than 30 years of constant research and observations. Mag Healthcare Devices are entirely chemical-free and does not require any electricity, gas or batteries to operate and effective for at least 10 years .It is equally beneficial for male & female of any age group.

MAG FUNNEL

MAGNETIC FUNNEL

Mag Funnel converts drinking water into Structured and Oxygenated Live water, which is Biologically Active, Lighter, and Healthier and free from Chlorine and harmful gasses. When water runs through the Mag Funnel, it gets finer and more uniform structure that significantly enhance the absorbing and dissolving ability and improves overall health, gives you energetic feeling, younger look and having No Adverse Effects at all!

Mag Funnel addresses the common health problems such as:

- Heart Problems
- Nervous & Urinary Problems
- Acidity
- High Blood Pressure
- Weak functionality of Red Blood Cell
- Digestion & Blood Circulation Problems
- High Cholesterol level in the blood
- Poor brain activity
- Fatigue
- High Uric Acid & Calcium Deposits
- Kidney problems
- Wrinkles
- Toxins
- Arthritis pain

Direction: All you have to do is to simply pass your drinking water through Mag Funnel and it instantly get, Structured and Biologically Active.

MAGNETIC CAP

Mag Cap is specifically designed to address Neurological and Behavior problems. Mag Cap regulates brain waves, synapses between neurons and, therefore, provides adequate equilibrium. In Mag Cap, MAGNETS are arranged in different polarity with an even distribution of magnets to cover the entire head when worn.

- Efficacious treatment for sleeping disorder
- Reduces Epilepsy attacks
- Relieves Headaches & Migraine
- Improves Microcirculation in head & Stimulates Brain Activity
- It helps stimulate the general condition of the body – so called the “Self Treatment”
- The Mag Cap is for male & female both of any age group

Direction: The cap should be worn for at least one hour before sleep or as advised by your doctor.

For more effective results, it is highly recommended to drink magnetic water (By Using Mag Funnel) in conjunction with the cap.

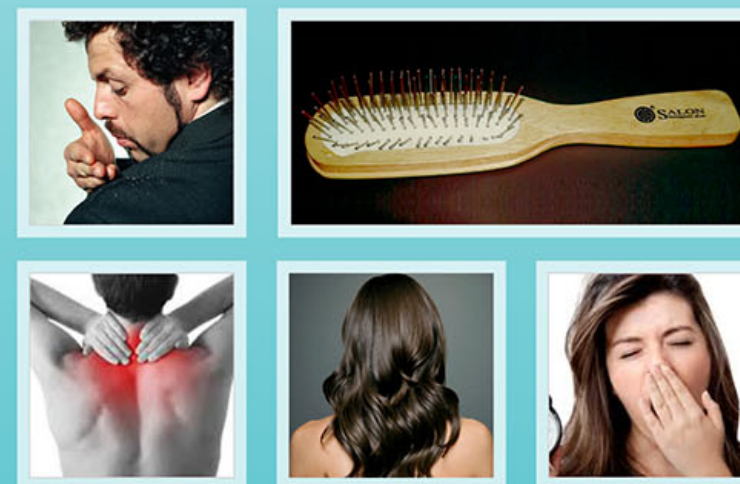

MAGNETIC HAIR BRUSH

Mag Hair brush is based on the influence of brush metal tips, penetrating from inside of the brush, magnetic field acts on the biologically active points of the head.

- It stimulates the blood supply to the scalp, giving lovely, thick, healthy and shiny hair. Also promotes better hair growth and prevent your hair from falling.
- It gives your hair healthy look
- Reduce and prevents dandruff formation
- Makes your hair longer & stronger
- The backside of the brush can be used for massage. Stroking backside of the brush around different parts of the body helps overcome tiredness and relieves pain in muscles.
- There are no negative effects of using this hairbrush.
- It can be used by male & female of any age group

Direction: Just need to comb 10-15 times each side of the head daily to see drastic change in your hair growth and look.

MAGNETIC STRIP BELT

It is a small strip, especially design for Musculo-skeletal Disorder (muscles and bones), using the magnetic field of permanent magnets on a principle of uniting medical & non-medical methods.

- It relieves back muscles, joints & spine pain
- It normalizes the functionality if Heart, Lungs, stomach & intestinal activity
- Relieves fatigue & tiredness
- Reduce muscle stress, and normalizes metabolic functioning

Direction: The mag strip comes with an adjustable belt and should be placed at the affected area of the body.

The duration of the treatment is 30-60 minutes twice a day

For severe pain, it is recommended to wear the strip throughout the day.

Mag Strip Belt relieves back muscles, joints & spine pain.
